

Figure 1 is a schematic diagram of a system architecture. The system is divided into three main sections: 100 (top), 102 (middle), and 104 (bottom). Section 100 contains a server rack 102 with components 110, 112, and 114. Section 102 contains a server rack 104 with components 120, 122, 124, and 126. Section 104 contains a server rack 106 with components 130, 132, and 134. The sections are interconnected via a network 105 and a cloud 108.
